Selling my Subaru! I just bought a new truck so Im selling my car for \$1500 OBO!!Im willing to do cash. It has roughly 260,000 miles on it and runs great! Manual. It has a EJ22 motor, one of the best motors for Subaru. Around 220k it got a tune up and new timing belt! It has 08 wrx springs and struts as well as stock wrx wheels. Radio works just fine, The two back windows are gone but there is black plexiglass, I havent had any issues with them so I didnt replace them when I bought the car from a friend. Cosmetically id rate this car good but as far as it runs Id rate it at great! If you have any questions or need additional photos, ask away!

No low ballers please. Come to Bremerton to see car. Im moving soon and must sell!
